

**Knowledge is Power**  
**4th International Renewable Energy Conferences**  
**at RENEXPO® SOUTH-EAST Europe**  
**with over 100 Speakers**

**The 4th international energy fair of Romania and South-East Europe expects you with over 100 speakers to the 6 international and 3 national conferences organised in the Palace Hall Bucharest between the 9-11 November 2011. RENEXPO® SOUTH-EAST Europe will bring together experts and key persons from the renewable energy field to a central event.**

For the 4th time, international and Romanian experts meet at the RENEXPO® SOUTH-EAST EUROPE in order to exchange know-how, present experiences from the practice and offer advice gained through research and development and ensuring this knowledge is quickly transferred into action. The 9 national and international conferences will take place on the 2 levels of Palace Hall Bucharest.

At this years event 6 co-organisers and over 100 speakers will present in the framework of 9 specialised conferences actual information regarding the renewable energy field. There are expected over 600 conference participants on the three days of the event, **9-11 November 2011**.

**Conference & Workshop Themes:**

**Wind Energy**

4th International Conference - Wind Power in Romania
