Biggest Renewable Energy Meeting in Romania **RENEXPO® SOUTH-EAST EUROPE,** 9-11 November 2011, Palace Hall Bucharest

RENEXPO® SOUTH-EAST EUROPE, Romania's largest and most important renewable energy and energy efficiency event, comes back with the 4th edition to Palace Hall Bucharest, between the 9th - 11th November 2011. The comprehensive program includes the trade fair with around 100 exhibitors, expert forums and conferences for presenting the newest developments in the areas of regenerative energy production, intelligent energy distribution and the efficient use of energy.

Since 2008 **RENEXPO® SOUTH-EAST EUROPE** became known as one of **the biggest energy platforms in the South-East European region** and a meeting point in the capital of Romania for key players and experts. The 4th edition is promising more success than ever in Romania, as six weeks before the event the exhibition space is sold out!

This year there will be present around **100 exhibitors from which 40% international ones from 15 European countries.** Moreover, the seven international conferences on wind energy, solar energy, passive house, RES in big buildings, hydropower, bioenergy and business exchange forum are scheduled to host at least 600 participants who will have the opportunity to hear speeches of many renown names such as László BORBÉLY - Minister of Environment and Forests in Romania, Pedro DIAS - Deputy Secretary General, ESTIF, Zoltan NAGY - General Director Energy Regulatory Department, ANRE and many others.

The international trade fair expects you with topics like: wind energy, solar energy, hydropower, biogas, energy efficient construction & renovation, energy services and cogeneration. Between the exhibited objects there will be wind turbines, biogas plant models, passive house model, electric cars and many others.

The **Wind & Solar Parks** are separate trade fair areas, where exhibitors from these fields will gather in order to be found easier by the specialised visitors. Between the exhibiting companies you can find: Gamesa, Siemens, Prenecon, Productie Energie Verde, Eurosat, Turboden, Gehrlicher Solar, Enercon GmbH, Wind Power Energy, Global Wind Power SRL, Energobit Group SA and many others.

RENEXPO® SOUTH-EAST EUROPE obtained this year as well the support of the Environment and Forest Ministry of Romania and the sponsoring of international companies like: *Gamesa, Prenecon, Siemens, REC Group, Vestas, GDF SUEZ, YTONG, BOSCH, MARTIFER SOLAR and ISOVER.*

The official **opening ceremony** on the 9th November 2011, will be chaired between others by Mr. László BORBÉLY - Minister of Environment and Forests in Romania, Eugen-Dicones CURTEANU - State Secretary, Ministry of Regional Development and Tourism and Liviu BUZILA - Head of UK Trade & Investment.

Another highlight of the RENEXPO® SOUTH-EAST EUROPE in Bucharest is the **Exhibitors' Forum** and the **Wind Turbine Manufacturer's Forum** where companies can present their products and services and the end consumers can listen to this free of charge.
